

AFTER MAKING AN INFORMED DECISION BASED ON THE “[Checklist to Help You Determine Which Furry Friend You Have the Resources to Care for](#)” AND MATCHING WITH A **DEGUS**, HERE IS A CHECKLIST TO HELP YOU NOT LEAVE OUT ANYTHING IMPORTANT!! (*make sure to check the information under the Degus tab as you fill out this form to make informed decisions!*)

1. Determine where you will obtain your Degu from; a reputable breeder, reputable pet store or rescuing or adopting one. (*Remember that a reputable breeder is highly recommended*). How will you bring your Degu home? You will need a travel cage. We have recommended some good ones and what to put in the travel cage.

2. After figuring out where you will get your Degu, you will obviously have found out the price and when you will be expecting your Degu. With this information, you can prepare for your Degu’s arrival by making sure you have obtained what your Degu will need:

- **Degu Cage** (*Remember when choosing this, choose a cage suitable for your Degu. Our product page has suitable recommendations. We have also considered the ease of cleaning the cage and durability of the cage. We do not want you buying a cage and later realizing it wasn’t good. Choose one you can afford and one you have room for in your house*).

3. Another very important thing to do is make a savings plan for your Degu. The things that will need frequent purchasing are bedding, litter and food. Also, save for vet bills. You will get good at this as you have hands on experience with your Degu. (For savvy vets, you can always ask the breeder for a contact).

4. Everything else you need to know about Degus we have covered it under the Degus tab. Of course we may not have thought of everything, therefore, if you have any questions, feel free to ask and we will get back to you ASAP!
