**1. Determine where you will obtain your Gerbil from; a reputable breeder, reputable pet store or rescuing or adopting one.** *(Remember that a reputable breeder is highly recommended).* **How will you bring your Gerbil home? You will need a travel cage. We have recommended some good ones and what to put in the travel cage.**

**2. After figuring out where you will get your Gerbil, you will obviously have found out the price and when you will be expecting your Gerbil. With this information, you can prepare for your Gerbil’s arrival by making sure you have obtained what your Gerbil will need:**

- **Gerbil Cage** *(Remember when choosing this, choose a cage suitable for your Gerbil. Our product page has suitable recommendations. We have also considered the ease of cleaning the cage and durability of the cage. We do not want you buying a cage and later realizing it wasn’t good. Choose one you can afford and one you have room for in your house).*

3. Another very important thing to do is make a savings plan for your Gerbil. The things that will need frequent purchasing are bedding, litter and food. Also, save for vet bills. You will get good at this as you have hands on experience with your Gerbil. (For savvy vets, you can always ask the breeder for a contact).

4. Everything else you need to know about Gerbils we have covered it under the Gerbils tab. Of course we may not have thought of everything, therefore, if you have any questions, feel free to ask and we will get back to you ASAP!
