## AFTER MAKING AN INFORMED DECISION BASED ON THE "Checklist to Help You Determine Which

Furry Friend You Have the Resources to Care for" AND MATCHING WITH A HAMSTER, HERE IS A CHECKLIST TO HELP YOU NOT LEAVE OUT ANYTHING IMPORTANT!! (make sure to check the information under the hamsters tab as you fill out this form to make informed decisions)!

1. Determine where you will obtain your hamster from; a reputable breeder, reputable pet store or rescuing or adopting one. (Remember that a reputable breeder is highly recommended). How will you bring your hamster home? You will need a travel cage. We have recommended some good ones.
2. After figuring out where you will get your hamster, you will obviously have found out the price and when you will be expecting your hamster. With this information, you can prepare for your hamster's arrival by making sure you have obtained what your hamster will need:

- Hamster Cage (Remember when choosing this, choose a cage suitable for your hamster. Our product page has suitable recommendations. We have also considered the ease of cleaning the cage and durability of the cage. We do not want you buying a cage and later realizing it wasn't good. Choose one you can afford and one you have room for in your house).

3. Another very important thing to do is make a savings plan for your hamster. The things that will need frequent purchasing are bedding, litter and food. Also, save for vet bills. You will get good at this as you have hands on experience with your hamster. (For savvy vets, you can always ask the breeder for a contact).
4. Everything else you need to know about hamsters we have covered it under the hamsters tab. Of course we may not have thought of everything, therefore, if you have any questions, feel free to ask and we will get back to you ASAP!
